Dear Sir

RE: RENEWAL OF PORT BUSINESS OPERATING PERMIT

We refer to your recent application for renewal of Operating Permit to enable you operate your business in the Port of Takoradi.

We are glad to inform you that your application has been approved, and hereby present you with an Operating Permit for the year 2023 as a **SAWN TIMBER COMPANY**. The Permit is valid for **ONE CALENDAR YEAR**, and it is issued subject to your undertaking to abide by the Port Rules and Regulations.

You are further obliged to conduct your business in a manner that conforms to the safety and quality standards of the Port and to pay all relevant fees. The Permit must be renewed each year to ensure your continuous operation in the Port.

We shall monitor your operations in the Port and any infraction of Port Rules and Regulations would oblige us to withdraw the Permit without any prior warning. You may report any problems you encounter while conducting your business in the Port to the office of the Port Monitoring Manager, for assistance.

You may also present this letter and a copy of the Operating Permit to the Port Security Manager for issue of Permit for your staff and operational vehicles.

We assure you of our co-operation at all times.

Yours faithfully

For **GHANA PORTS & HARBOURS AUTHORITY**
